Friday May 8, 1-3 pm

Zoom: <https://zoom.us/j/682989584>

Phone: 646 558 8656, Meeting ID: 682 989 584

Agenda

**Objective:** Reset initiative with Covid-19 frame. How can this initiative

- Help partners move their work forward in their response to Covid on behalf of S.Portland
- Build resiliency for a longer term response to address the needs of older adults in South Portland in a new environment.

1. Introductions and welcome Scott, Chad, Jess
2. Overall approach/DASH grant Jess
3. Current response/perspectives with Covid Jess
  - a. Review of S. Portland Age Friendly Sue, Maxine, Chad
  - b. Partners (3 min each)
    - i. Deeper Introductions
    - ii. If responding to Covid-19
      1. How are you currently responding to Covid in S. Portland
      2. How are you capturing learnings/experience, e.g. data
      3. What new partnerships have you created as part of response?

BREAK – 5 minutes

4. Review of Municipal Task Force 2019 Report Ted
5. Review of sample dashboard elements Patricia
6. How do we move forward together? Jess
  - a. State of social service need and municipal/non-profit capability post Covid
  - b. How does this data help S. Portland choose actions to respond to Covid in short term and build a resilient community response with less resources post-Covid?
  - c. What data is not here but would be useful?
  - d. What new partnerships have been created or needed?
7. Adjourn

Meeting process for meetings 2-4

**For each potential need from dashboard template**

1. Share what data we have from national, state, or local sources on potential needs.
2. Share what data we have on current services and estimated numbers of residents with unmet needs.
3. Determine if this is the best data we have/can get?
4. Ted and Patricia would work with partners to help gather data in between meetings with follow up at the next meeting with the whole group.
