

# Oral Health in Large Group Plans

- Health Options joins Northeast Delta Dental (NEDD) to **improve oral and overall health in Maine.**
- The partnership offers large group employers the opportunity to purchase contracted dental coverage for **adults and pediatrics.**
- Employers are offered **reduced premiums** when they purchase large group medical benefits from Health Options and dental coverage through NEDD.
- Health Options will **reduce the medical rate by 1%** and NEDD will reduce the **dental rate by 5%.** (minimum number of enrollees required)
